DUTIES AND TARIFFS DISCLAIMER:

Definition of Duties. The term "duty" as used in this Offer refers to a tariff or tax levied or assessed on imported goods and incorporates references to customs duties, regular duties, tariffs, import taxes, and import tariffs, and includes punitive Tariffs, as defined below.

The term "Tariff" incorporates references to duties levied or assessed as a result of a trade action by the United States Government including, but not limited to, antidumping duties, countervailing duties, duties imposed as a result of an investigation under section 301 of the Trade Act of 1974, duties imposed as a result of an investigation under section 201 of the Trade Act of 1974, and duties imposed as a result of an investigation under section 232 of the Trade Expansion Act of 1962.

Tariffs and Duties Included in Offer Price: The Tariffs and Duties currently in place as of the Date of an Offer.

Tariffs and Duties Excluded from Offer Price: Due to the volatility in commodity costs, and the actions that could be taken by the United States Government to deter the importing of foreign goods, it is not possible to ascertain the impact that potential future changes could have to the costs associated with an offer. Any new Tariffs or Duties that have not been included in an Offer Price will pass through to Customer by FMS at cost; this includes, but is not limited to, both Tariffs and Duties not yet in place as of the Date of an Offer and Tariffs and Duties currently in place as of the Date of an Offer, but which are subject to change in amount or rate thereafter.

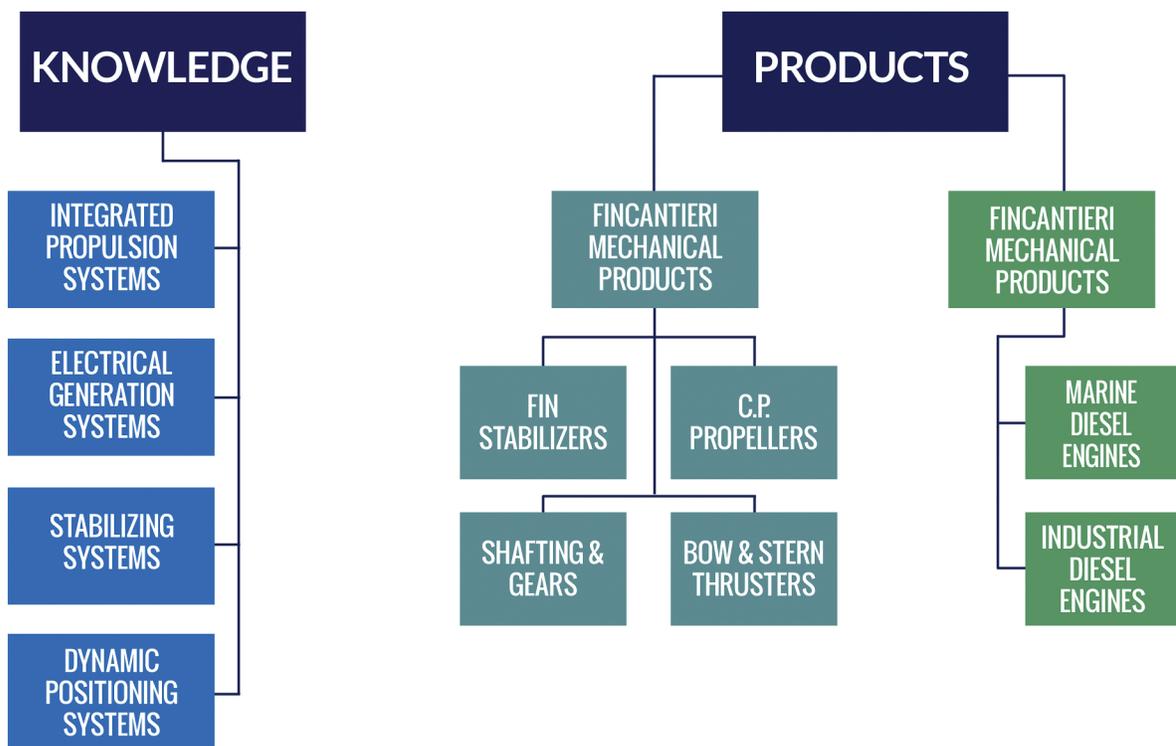

Price Adjustment for New or Changes in Amount or Rate of Tariffs or Duties: The Price for

- Price and part number listed are valid for the North America market only
- Price and part number listed may be changed without notice
- Notwithstanding, the only binding price and part number are those identified in FMSNA Inc.'s official offer
- Parts listed may be subject to U.S. export controls and subject to licensing if exported outside of the U.S.

THE PREMIER SOURCE FOR INTEGRATED MARINE SYSTEMS

Fincantieri Marine Systems is a U.S. Corporation and is part of the Fincantieri group of Italy. Fincantieri Marine Systems represents the products of Fincantieri and its subsidiary companies on a worldwide basis, and offers products and services to the Department of Defense, the department of Homeland Security, and to Commercial Business. We bring experience and expertise in integrating engineering plant components and then marrying the plant to a ship's hull. We are the premier source for Integrated Marine Systems.

MARKET & SUPPORT

We do it all; we engineer, integrate, source, purchase, deliver to building yards, install, test, and deliver to satisfied clients all over the world.
